

DENSO

Twin Tip Spark Plugs – twice the benefit

Give your customers
all the benefits of
DENSO's unique Twin Tip
technology

DENSO's advanced Spark Plug technology gives you all the benefits of:

- > **Lower emissions**
Significantly reduces CO₂ and HC emissions.
- > **Superb fuel economy**
Excellent fuel efficiency due to enhanced ignitability.
- > **Higher performance at lower costs**
Achieve ignition efficiency closer to DENSO's premium Iridium ranges.
- > **First to market**
The first ever fine-wired Spark Plug without precious metal on the electrodes features nickel centre and a 'twin' protruding ground electrode with slimmer 1.5mm diameter.
- > **Consolidated range**
15 part references ensuring stock efficiency and convenience.

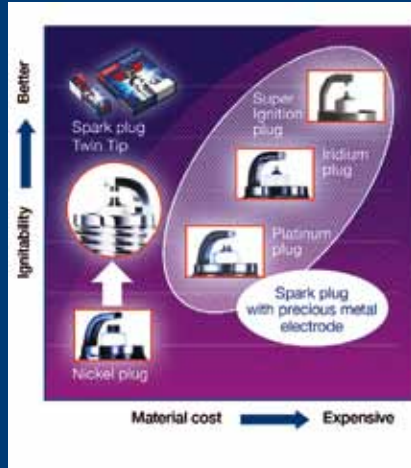

DENSO TT Spark Plugs:

Good for you, good for your customers
Cost/Benefit analysis
